*Power to the people,  
giving for a living.*

*A business model that promotes cooperation; being the change we wish to see in the world.*

Gratitude and inspiration is the motivation for Pay It Forward Living.

As we receive opportunities for well being in health and finance, it is extremely rewarding to then offer it to others.

The Pay It Forward Living business model empowers people to help other people.

## "Sharing the Good Stuff" Everyday Goodwill & Wellness Support!

For Small Business Owners, Professionals, Students, Stay at home Parents, Current or Future Retirees or anybody looking for a change.

# PAY IT FORWARD LIVING

*Experience the joy of sharing well-being as YOU experience it yourself.*

## SUPPORTING THE BODY TO NURTURE ITSELF

What if your everyday food is not able to support your body with what it needs to function optimally each day? Ocean botanicals combined with Aloe Vera is a live, mineral rich food that gives the body what it needs to heal itself. Genuine food for genuine health; what a gift to share!

## ACHIEVING DREAMS

Paying it forward to three people rapidly creates a ripple effect of positive change in the world. It also generates an income as well as free product for YOU. This business model pays people for their time and effort to share information and support each other. If desired, this model can grow to create ongoing income from working part time or full time.

## INSPIRING COMMUNITY

People who live in gratitude and serve others enjoy 'Pay It Forward Living'. Diverse people join to share a common enthusiasm for making this world a better place.
